

Name: _____ Block: _____

Date: _____

Unit 2: The Novel

Fahrenheit 451: Censorship

Introduction: We know that Bradbury speculated that the increased production and usage of different types of technology would lead people to read less.

Directions: Answer the following questions using the short constructed response format. You should have two well-written paragraphs upon completion of this assignment.

1. What do you think Ray Bradbury was trying to say about books and censorship with his novel? Cite evidence from the story using at least two quotations from Part 1 to support your assertion.
2. Do you agree or disagree with the point the author was making? Why? Cite evidence from the novel using at least two quotations from Part 1 to support your position.
