The Iliad Book 1 SCR

Holt *World Literature* pp. 229-244

Directions: Answer the following question in a well-written paragraph using evidence from Book 1 to support your assertion.

Which character, Achilles or Agamemnon, was more in the right? (In other words, which character had more of a right to be angry at the other?)

TIP #1: Be sure to incorporate information pertaining to the important beliefs outlined on p. 228 or in your background notes in your response.

TIP #2: *The Iliad* is written in poetry, so be sure to properly punctuate your direct quotations (use a / to indicate line breaks).
