Cumberland Regional High School's 2021 Summer School program will include: structured time outside, positivity practices, coursework completed through Acellus, incentives for attendance and participation in events, t-shirts, and other exciting swag. By partnering with Colt Connection, we are able provide the summer school students full experiences to help them succeed in academics and transition back to school in the fall.

For this program, Colt Connection will offer the following services:

- Career / Employment Exploration, Skills-Training, and Readiness Support (*entrenamiento para la preparación de empleo y enlaces con empleadores locales*)
- After-School Recreation & Enrichment Opportunities (*Actividades después de clase, incluido atletismo, juegos, artesanías y excursiones*)
- Healthy Youth Development & Life Skills (*habilidades saludables para la vida*)
- Academic Support, Tutoring, Mentorship, and Post-Graduation Planning (*Tutoría, preparación académica para la Universidad*)

To be part of this program, you must complete the Colt Connection Agreement form found at this link: <https://hipaa.jotform.com/lawrenceevans/ColtConnectionConsent> . Or you can complete and return the enclosed form with your 2021 Summer School Registration form.
