Greetings, Colt Nation:

We are excited to welcome you to the 2022-2023 school year at Cumberland Regional High School with optimism and enthusiasm. As we prepare to kick off the school year on **Tuesday, Sept. 6**, we would like to share a few updates, announcements, and reminders.

Health and Safety Plans

Students and parents/guardians are asked to visit our district website, www.crhsd.org, regularly for updates and vital information, such as our health and safety plans related to COVID-19. The Safe Return Plan prepared by our Pandemic Response Team for the 2022-2023 school year is detailed on our website under the Announcements section.

Guidelines for the upcoming school year include:

- Students and staff who test positive for COVID-19 will be required to quarantine for five (5) days and must wear a mask for days 6-10 upon their return. Positive results must be reported promptly to the nurses' office.
- Mask-wearing will be strongly encouraged but not required in most situations, with the exception of students or staff returning from quarantine.
- Our nurses will continue working with the county health department to conduct contact tracing. Any student or staff member identified as a close contact with a COVID-positive case will be notified by email at the end of the school day. Close contacts are encouraged to test regularly for COVID-19 and monitor for symptoms.
- Students or staff experiencing COVID-19 symptoms should stay home and test regularly.

Meal Applications Required

CRHS families must submit an application to determine eligibility for Free/Reduced-Price Meals for the 2022-2023 school year. The meal application may be completed online at www.schoolcafe.com/CRHSCafeteria or via paper copy, available for download from our website or from Laurie Athey's office in CST, returned to Mrs. Athey. Additional information on Food Services at CRHS is available on our website at www.crhsd.org/FoodService. Questions may be directed to Mrs. Athey at athey@crhsd.org / 856-451-9400, ext. 226.
