Cumberland Regional School Cafeteria Program

To: Parents/Guardians

From: Robin Carman, Food Service Director

Date: August 02, 2021

First Day of Service, New Computerized Payment System

On behalf of the Food Service Department, Welcome to Cumberland Regional High School. Whether you are a returning student or new to our Colt Family we look forward to serving you Fresh, Healthy, and Delicious Meals!

The first day of lunch and breakfast service will begin on Tuesday September 7, 2021.

You can find both breakfast and lunch monthly menus posted on the school's website under Food Service. Monthly menus will also be posted in all classrooms and in the cafeteria.

Cumberland Regional is switching to **Primero Edge** Payment Systems for school meals purchased in the district cafeteria.

All Breakfast and Lunch Meals for the school year 2021/2022 will continue to be free no matter your eligibility requirements. However, all qualifying for free and reduced-price meals must still fill out an application to help provide families with additional benefits related to P-EBT, state funding, or other school benefits.

Any money deposited into the account can be used for purchasing extra snacks and beverages of your student's choice.

Every student will have their own personal identification number linked to their account. **For incoming Freshmen, Transfer Students, and Upperclassman your ID number is located on your schedule, in the upper right corner.** Students can access their accounts on the PIN Pads located at every register. **We strongly encourage every student remembers their numbers as it will make lunch service more efficient.**

We encourage parents/guardians to deposit money into the students account although they may still pay cash as the deposits serve as insurance, they will always have the appropriate funds. **It is never recommended the student charges their meals.** When sending in payment via check or cash, please enclose the students full name and account number to ensure proper deposit.

Payments may also be done through **School Café** <https://www.schoolcafe.com/CRHSCafeteria> which is also found on the school's website under Food Service (see <http://www.crhsd.org/foodservice>). You will also find links and videos there to help you navigate this transition to the new payment system.

If your student has qualified for Free, Reduced, or Paid Price breakfast and lunch this information is strictly confidential and is securely contained within the POS system.

FOOD ALLERGY: Please notify the school nurse of all food allergies who will then forward to the cafeteria for proper handling procedures.

Please feel free to contact the Food Service Department with any questions/concerns. (856) 451-9400 ext. 265, 740

Sincerely,
Robin Carman
Cumberland Regional Food Service Director
