

CUMBERLAND REGIONAL SCHOOL DISTRICT

MEMO TO: Parents/Guardians of New CRHS Students
FROM: Tony Ricciuti, Technology Systems Manager
DATE: August 5, 2019
SUBJECT: Genesis Parent Access

One of the features of our web-based student information system from Genesis is the ability of parents/guardians to access information about their children from any computer with an Internet connection. This information currently includes attendance, assignments, and grades.

If you request a Parent Access account, a username and temporary password will be generated and e-mailed to you. Your username will be your e-mail address, and **must be a parent/guardian e-mail address**, not a student address. Having your e-mail address on file will provide us with another way to contact you with notifications, reminders, and the like.

For the 2019-20 school year, the same as in years past, parents will be able to submit authorizations for certain school forms electronically, through your Parent Access account. We automatically have created Student Access accounts for all students, for only student use; these can be used for student acknowledgements/signatures as well, for certain forms.

Note that as of the 2015-16 school year, only one technology authorization is required for a student's enrollment at CRHS, unless the parent/guardian chooses to cancel it. **If your student is returning, and now is in grades 10, 11, or 12, another authorization is not needed.**

Parents: to have an account created, complete the information below and return it to me at the school, or provide the same information by e-mailing it to me at ricciuti@crhsd.org. Accounts typically are created within 2 school days of receipt. If you already have submitted the paper form another is not needed.

If you have a Parent Access account from a previous school year, only complete the form below for any new students; your username and password are the same. If, however, you have a new email address, submit the form below and I will update your account.

A link to the login site can be found on our website – www.crhsd.org – in the 'Parents' section. There you will find a link to 'Genesis Parent Access', as well as the 'Genesis Parent Access Manual'.

If you have any questions or concerns, either now or after receiving your login information, do not hesitate to contact me via phone or e-mail. I can be reached at (856) 451-9400, x237.
