

Cumberland Regional School Breakfast Program

To: Parents/Guardians

From: Lauren Murray, Food Service Director

Date: September 5, 2018

Re: NEW! Breakfast Program/First Day of Service

On behalf of the Food Service Department, Welcome to Cumberland Regional High School! Whether you are a returning student or new to our Colt Family we look forward to serving you fresh, healthy, and delicious meals!

The first day of our NEW! Breakfast Program will begin on Monday September 10th

Cumberland Regional is excited to now offer breakfast service carts to our students as they enter the building. We will provide THREE convenient locations throughout the building that will offer full breakfast meals, a la carte items, and coffee!

Breakfast is the most important meal of the day! Be sure your student eats a balanced breakfast every morning. We offer delicious and nutritious breakfast options to jump start your student's day! **Please see attached breakfast menu.**

If your student receives FREE or REDUCED LUNCH they also receive FREE or REDUCED Breakfast.

If your student has qualified for Free, Reduced, or Paid Price breakfast and lunch this information is strictly confidential and is securely contained within the POS system.

Every Student will have their own personal identification number linked to their account. **For incoming freshmen, transfer students, and upperclassmen, your ID number is located on your schedule, upper right corner.** Students can access their accounts on the PIN pads located at every register. **We strongly encourage every student remembers their numbers as it will make lunch service more efficient.**

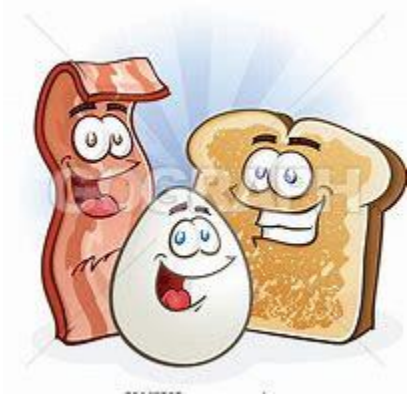

We encourage parents/guardians to deposit money into the students account although they may still pay cash as the deposits serve as insurance they will always have the appropriate funds. **It is never recommended the student charges their meals.** When sending in payment via check or cash, please enclose the students full name and account number to ensure proper deposit. Payments may also be done through (MySchoolBucks.com) which is also found on the school's website under Food Service.

Please feel free to contact the Food Service Department with any questions/concerns:
